

NEW YEARS EVE CRUISES

*Treat yourself to our wonderful **New Year's Eve Cruises**. See the beautiful sites of the harbour as the sun goes down and as the city lights up the sky. Capture the special moment as we welcome the New Year with a bang!!! View the Sydney Harbour's spectacular fireworks display on our amazing **new year's eve cruises**!*

The Supercat will be ideally positioned on the Western side of the Harbour Bridge to watch the Parramatta River count down fireworks and then the 9pm family fireworks displays.

The Supercat vessel will then be joining a special line of charter vessels traveling through the exclusion zones to watch the midnight fireworks from a premium vantage point off Bradley's Head on the Eastern side of the Harbour Bridge. This position is exclusively reserved for Commercial Charter vessels and guarantees us excellent views of the Harbour Bridge fireworks display and the light parade.

We pride ourselves in producing a premium event for New Year's Eve! This will be an evening you will never forget – top class catering, premium drinks, DJ entertainment and Sydney Harbour on New Year's Eve...
